

Aims of the Playroom

To create a safe, secure, caring and nurturing atmosphere where children can become successful learners, confident individuals, responsible citizens and effective contributors.

To work with parents/carers and other support agencies to ensure that an effective system of early intervention is in place should children need additional support in their development and learning

To provide a child centred, stimulating environment where each child will be given the opportunity to develop their full potential by valuing each child as an individual and treating each child with equal concern.

To promote active learning through a variety of child initiated and adult led activities and experiences that are designed to support and challenge.

To provide a broad, balanced and exciting curriculum which is appropriate to the needs of each individual child and groups of children.

To build strong relationships with parents/carers and work with them to ensure that the health, wellbeing and development needs of their children are met.
